ARC'S POSTDOCTORAL & GRADUATE STUDENTS RESEARCH SHOWCASE 2019

The Applied Research Center cordially invites you to attend *ARC's Postdoctoral and Graduate Students Research Showcase 2019* on Wednesday, April 3, 2019 starting at 1:00 pm in EC 2300. This event will bring ARC's postdocs and graduate students together to present and discuss the research projects they are working on at ARC.

OBJECTIVE

To showcase postdocs and graduate students research accomplishments with the academic community, sponsors and external interested parties.

OPPORTUNITY

For postdocs and graduate students to improve their skills and presentation experience as they advance in their career.

Refreshments will be provided!

NETWORKING

Meet ARC's newest talented researchers and learn more about the sponsored research projects being conducted for federal agencies
